1. Introduction

This document is designed to help individuals and organisations inform their training decisions by presenting the core courses we offer, their content, costs and our flexible methods of delivery.

1.1 Qualification: Level 4 Certificate in Fire Safety (Fire Auditors)
This document identifies courses available for delegates to achieve a Level 4 Certificate in Fire Safety.

1.2 Target audience
The qualification is suitable for those who are:
   a) responsible for ensuring fire safety arrangements are suitable, sufficient and maintained e.g. risk assessors, managers, staff, owners and occupiers.
   b) regulators of fire safety e.g. fire services.

1.3 Building types
This qualification applies to those who operate in complex premises and environments e.g. office blocks, hotels, residential premises, factories, shops and shopping centres, places of assembly, theatres, cinemas, night clubs and open air events.

1.4 National Occupational Standards (NOS) and qualification units
There are five fire safety National Occupational Standards within this qualification. For more details please see tables on following pages.

1.5 Qualification requirements
A level 4 qualification requires delegates to demonstrate they possess the following knowledge and skill:

   1.5.1 Knowledge requirement
   a) Practical, theoretical or technical knowledge and understanding of a subject or field of work to address problems that are well defined but complex and non-routine.
   b) Ability to analyse, interpret and evaluate relevant information and ideas
   c) Awareness of the nature of approximate scope of the area of study or work.
   d) Informed awareness of different perspectives or approaches within the area of study or work.

   1.5.2 Skills requirement
   a) Identify, adapt and use appropriate cognitive and practical skills to inform actions and address problems that are complex and non-routine while normally fairly well-defined.
   b) Review the effectiveness and appropriateness of methods, actions and results

9. Course support information

National Occupational Standards and IPDS modules
Courses are designed to cross-map with the relevant National Occupational Standard (NOS).

For example NOS: FS2, FS3, FS7, FS9, FS12.

Legislation, British Standards and technical guidance documents
Delegates have access to a wide range of Technical Guidance, British Standards, best practice and reference material on courses. Hard copies for classroom work and on-line versions for distance learning and study programmes are available.

Approved Assessment Centre and National Awarding Bodies
Xact is an Approved Assessment Centre and provides qualifications via national awarding bodies. We are externally audited by the awarding bodies which are regulated by OFQUAL, the regulator of qualifications, examinations and assessments.

Continual Professional Development
All delegates receive CPD certificates on course completion. All courses are designed and assessed to approved centre standards.

Courses
Courses consist of three phases:

- Learning – acquiring knowledge, understanding and skills
- Practising learning – using real-life reconstructions designed to replicate workplace activities of delegates
- Comprehensive debrief – to confirm learning

Delegate numbers
Xact restricts delegate numbers to allow an optimal level of interaction between delegates and tutor. This provides delegates with the best opportunity to achieve learning outcomes

Assessment
Courses are assessed. Assessment standards are based on delegates National Occupational Standard workplace roles
9. Course support information

**Xact provision**

On courses, Xact provides:

- Tutor with experience and expertise in course subject areas
- Specialist teaching staff such as lawyers, magistrates and trained actors
- Course design
