National Occupational Standards and IPDS modules

Courses are designed to cross-map with the relevant National Occupational Standard (NOS).

For example NOS: FS2, FS3, FS7, FS9, FS12.

Legislation, British Standards and technical guidance documents

Delegates have access to a wide range of Technical Guidance, British Standards, best practice and reference material on courses. Hard copies for classroom work and on-line versions for distance learning and study programmes are available.

Approved Assessment Centre and National Awarding Bodies

Xact is an Approved Assessment Centre and provides qualifications via national awarding bodies. We are externally audited by the awarding bodies which are regulated by OFQUAL, the regulator of qualifications, examinations and assessments.

Continual Professional Development

All delegates receive CPD certificates on course completion. All courses are designed and assessed to approved centre standards.

Courses

Courses consist of three phases:

- Learning – acquiring knowledge, understanding and skills
- Practising learning – using real-life reconstructions designed to replicate workplace activities of delegates
- Comprehensive debrief – to confirm learning

Delegate numbers

Xact restricts delegate numbers to allow an optimal level of interaction between delegates and tutor. This provides delegates with the best opportunity to achieve learning outcomes

Assessment

Courses are assessed. Assessment standards are based on delegates National Occupational Standard workplace roles
